

SERVE IN PLACE

We have a unique opportunity for four exceptional people with a wide and varied skill-set: a chance to live in and serve a small, desert town in Utah. To coordinate with citizens of this rural community in order to lead their best lives. To demonstrate the value of service. To gain one-of-a-kind experience. To learn new skills. To improve lives. To improve yourself.

We believe our desert town is a hidden gem, but there's always work to be done. And we'd like to do that work with you. We're looking for four individuals to serve as AmeriCorps members together to:

- work to improve literacy outcomes for Green River youth
- beautify old and build new community spaces, projects, and housing
- organize community events
- build and maintain a small public park
- coordinate with our partners like the local schools and businesses
- and much, much more...

WHO WE ARE

As a community organization, **PACT** works with residents to offer locally-driven solutions to the needs of Green River. We currently respond to these needs through youth programming, food programming, a thrift store, and affordable apartments. Through the support of our town, PACT strives to reach the potential in all of us.

Epicenter stewards creative initiatives that honor the past, strengthen the present, and build the future that we envision with our community. Epicenter is a vibrant hub for rural investment and cultural exploration of southeastern Utah. Beyond home, we advocate for rural communities and contribute to the dialogue on contemporary place-based work.

Together, Epicenter and PACT are always looking for new ways to serve our community and to help citizens shape their own future. That's where you come in.

WHO YOU ARE

**You love rural towns and the desert.
Bonus points for loving Green River!**

**You have an eye for detail, a
mind for problem solving, and
an eagerness to serve.**

**You have great people skills.
Spanish is a plus!**

**You dream of open spaces, big skies,
bold landscapes, and promising futures.**

You thrive working with others on a team.
